## AN EXTRA INDUCEMENT

Special prices that we are giving on our Hart Schaffner & Marx goods are for the purpose of cleaning up our stock. We are looking forward now to the coming fall.

New goods will be coming in before long and that means that we must have these spring and summer clothes out of the way for we never carry goods over from one season to another. To dispose of them we are offering you this special inducement to come in and buy; it is an inducement worth while even if you have already bought your summer clothes.

## HART SCHAFFNER & MARX

Clothes are always bargains at the prices we ask for them; they're worth the money; the value is in them. That makes the reduced prices all the more attractive; it is like finding the money.
